Lean on me!

SMS Flatscreen WH T is made mainly of aluminum and is an elegant, secure wall-mounted bracket for heavier screens. This is a unique design that will certainly do your screen justice. SMS Flatscreen WH T can either be used to hang your screen flat on to the wall or to tilt it 10 degrees forward. This function allows you a perfect view even if you hang the screen high up on the wall. This bracket is easily mounted and can hold screens up to 75 kg.
