

Cabaret Screen

Its sleek and stylish contemporary design allows the Cabaret Screen to seamlessly blend into any environment

Cabaret Screen

Shown: optional LED mood lighting in continuous cobalt blue

This is the first Stewart retractable screen created especially for the life-style customer. With a beautiful new housing, the Cabaret Screen offers an innovative approach to roll down screens. Its sleek and contemporary design makes it possible to install a front projection system into any size space, with any décor and even though it is exposed, it can seamlessly blend into any environment. The Cabaret is perfect for creating media rooms within family rooms, game rooms, or any living space in the home.
