

Luxus Communicator

The Luxus Communicator is a manual pull-down screen model that offers all of Stewart's acclaimed quality and performance

Luxus Communicator

The Luxus Communicator is a manual pull-down screen model that offers all of Stewart's acclaimed quality and performance for use within applications where a motorized system is either not desirable or practical. The easy, smooth pull-down mechanism offers the capability of unlimited stops along its full length of travel. Available in front projection models only.

The Luxus Communicator is available with a variety of Stewart's front projection materials. Our exclusive Tab-Guy™ tensioning system ensures a smooth and completely flat screen surface. Matte black over-scan borders* provide a perfectly masked image area.
