

Luxus Screenwall

The Luxus Screenwall offers functionality and simplicity to any environment where a projection screen is required

Luxus Screenwall

As one of Stewart's admired fixed models, this 1-1/2 inch square tube frame designed for easy assembly and installation.

Optimize your Luxus Screenwall with any of Stewart's award-winning front projection materials. Microperf X² is available when acoustic transparency is required.

Stewart's exclusive VeLux™ black-velvet appliqué gives the Luxus Screenwall a luxurious look and feel. This specialized frame finish absorbs possible over-scan while boosting perceived contrast.
