

SMS X FH

Quality that lasts.

A graceful and strong floor stand. The display can be mounted on the stand in both a vertical and a horizontal position, simply choose when mounting.

Ingenious universal fittings ensure simple assembly, giving a safe support for the display and the possibility to mount it both in landscape and portrait position. Delivered as standard with our X H Unislide which can be placed at selected positions along the column. An electrical power socket can be installed on the rear of the column, as an option. Shelves and cabinets are available as options.

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.

NB! When mounting a touch display, please choose our Presence or Func series.
