

FUNC VERTY

A universal wall bracket that is easy to mount, suitable for portrait installations

With its simple mounting – the attachment fits exactly into the space between two wall studs. It can, furthermore, be locked by a locking pin or padlock for improved personal safety and security from theft. Can be tilted 5 degrees. Suitable for Vesa hole patterns with maximum dimensions 800 x 400 mm and minimum dimensions 200 x 200 mm. For portrait installations.
