

SMS MULTI DISPLAY WALL ACE

Ace allows you to mount a video wall simply, attractively and with very high flexibility.

Ace is robust, simple and flexible. An ingenious lock mechanism guarantees that the displays remain firmly in their innermost position.

- Universal video wall solution for displays in both landscape and portrait mode.
- Developed for the leading displays on the market with dimensions 46-60", for professional video walls.
- "Slide and Access" function for easy access behind a display, with the remaining displays in operation.
- Simple ordering – one article number specifies one package per display.
